

Hello Parents and Guardians,

At the Multicultural Community Event, one of the concerns mentioned by parents was school **safety and security**. Next week on Tuesday, February 23rd I am going to have a **morning coffee and bagel meeting** starting at 8:30 to discuss any safety concerns you may have and look at possible solutions that will address our safety/ security issues and still allow us to have an open community feeling. This is also a great time just to come and meet people after you drop off your children.

At our parent meeting on February 10th, we decided to ask parents once again to give some of their time to **help out on the yard**. This would be possibly playing games with students and watching the perimeters of the yard. I believe the time where our security is the weakest is in the afternoon when we dismiss students. It would be great to have an adult each day monitoring the 17th Avenue gate. A teacher does monitor the Cabrillo gate. Our dilemma here is that our families love to stand and chat after school which we want to encourage, but it is hard knowing who actually belongs and doesn't. We always can use help at recesses. Please sign below if you would be willing to take a slot of time on a regular basis.

We are also asking all parents to sign in at the office when you are volunteering and get a parent badge.

I can help out:
