Dear Friend of Public Quality Education,

Each year Argonne Elementary School holds its annual fundraiser, known as Mayfair. The funds raised at this event pay for art & music programs, physical education, environmental field studies, and other enrichment programs for our 400+ children. This academic year Mayfair will be held on Saturday, May 8, 2010, at 680 18th Avenue, San Francisco, CA from 10:00 am – 3:00 pm.

The most significant segments of this annual fundraiser are our raffle and silent auction. In the past, parents, families, friends, and businesses have generously donated gift certificates for products or services, gift baskets, overstock merchandise, and/or other items. We need your help--please! We are committed to providing our public school children with a well-rounded education and cannot do it without your generous support.

We ask that your business consider making a tax-deductible donation to our Mayfair silent auction or raffle. If you are able to donate, please complete the enclosed donor form to assist us in acknowledging and documenting your donation. If you would like, the name of your business or organization can be publicized at the event. Please send us any marketing materials you wish to have displayed at the event.

Thank you for your time & consideration. Argonne Elementary, its students, teachers, and parents gratefully appreciate your support.

Sincerely,
Kelly Louie
Mayfair Donation Coordinator
